To Register: Please return signed Registration Form and signed Releases along with registration fee of \$30 and the Class Fee to the office. You may online through the parent portal site. Registration is on a first come first serve basis.

Classes: Lessons are based on an average of 4 classes per month per calendar year. Accounts will not be charged for months with 5 classes nor will they be credited for months with 3 classes. Holidays and closings are included in the average. Stick It! Gymnastics reserves the right to cancel any class at any time. You can begin any time during a session and payments are only accepted for the session, not for individual classes. If the gymnast starts in the middle of the session, the fee will be prorated.

Conduct: All students should conduct themselves in a friendly manner toward other students, parents, coaches, and office staff. If a student's conduct is threatening the safety and/or family environment we strive for here at Stick It! we reserve the right to ask said child to leave the facility. If behavioral issues continue with any one child, we reserve the right to not allow that student back into the program. All students enrolled in classes/team program are expected to respect their coaches and follow all instructions. This is for the safety of each and every student and gymnast.

Dropping Classes: If you wish to drop your child from their class, we require a two week written notice that can be delivered to our office or emailed to: office@stickitgymnastics.com. Verbal notification is not sufficient. If we do not receive a "drop notice", we assume that you desire to still be enrolled in class and will be charged accordingly.

Make-Up Policy: If your child has missed a class, you are entitled to one make-up class within the month. No exceptions. You can call the office to schedule a make-up class, but we cannot guarantee that there will be opening for make-ups in a regularly scheduled class. There will be no makeup classes for any holiday closings. Stickit Gymnastics reserves the right to refuse and/or cancel any makeup class.

Multiple Child Discount: If you have more than one child enrolled in Stick It! Gymnastics programs you may deduct \$5.00 off the monthly session fee for each additional child.

Parent Viewing: Parents are always welcome to watch their children from our balcony. For the safety of your children and for insurance reasons, anyone (including siblings) not participating in a class MUST remain in the balcony area during class. Gymnastics equipment can only be used under coach's/ instructor's supervision.

Payment Policy: Tuition is due on the 1st of every month. A late fee of \$15.00 will be charged to your account if tuition is not paid by the 10th of the month. If tuition is not paid by the 15th of the month, your child will be dropped from their class and lose their spot. You will be responsible for any and all charges on the account.

Payments can be received via cash, credit card, auto payment and/or online through our parent portal.

Proper Attire: Girls may wear a leotard and spandex shorts. Boys may wear a non-baggy shorts and

shirt. No socks and shoes are permitted. All hair shoulder length or longer needs to be pulled back in a pony tail. No dangly earrings or bracelets.

Registration Fee: A registration fee of \$30.00 is due upon registering for classes. This is a non-refundable fee and is not part of your monthly tuition.

Re-Enrollment Fee: If you drop your child from class or if you are dropped for lack of tuition payment, you will be charged a \$20 re-enrollment fee in addition to any tuition that is due.

What class should I sign my child up for? Please sign your child up for a class that corresponds to his or her age as of right now. Parents often want their children in an older or more advanced class than is appropriate. It is best to keep children in a class where they can achieve success and be comfortable with the skills they are doing before moving on to the next class. It is much better to move a child up if the class is too easy than to move them down. All motor skills take time to perfect. Please have patience with the learning process. It is always best to sign up for more than one class for increased retention of skills learned.
